APPROVAL

OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the manner and place of use of the waters of the Truckee River as heretofore granted under Claim 725, Truckee River Final Decree is issued subject to the terms and conditions imposed in said decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.40 cubic feet per second but not to exceed 49.0 acre-
feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before April 11, 1996

Proof of completion of work shall be filed before May 11, 1996

Application of water to beneficial use shall be made on or before April 11, 1997

Proof of the application of water to beneficial use shall be filed on or before May 11, 1997

Map in support of proof of beneficial use shall be filed on or before N/A

Completion of work filed IN TESTIMONY WHEREOF, I, R. MICHAEL TURNIPSEED, P.E.

State Engineer of Nevada, have hereunto set my hand and the seal of

Proof of beneficial use filed my office, this 11th day of April
